MEMORANDUM FOR: Director of Personnel  
FROM: Director of Central Intelligence  
SUBJECT: Summer Intern Program

1. I understand our summer program for hiring high school students who are sons and daughters of our employees is in trouble. Could you let me know where it stands and what we can do about it.

2. In addition, I would appreciate a very brief recap on what the various summer hiring programs are. As I understand it, we have two:

a. High school students who are sons and daughters of employees and who take on rather routine administrative tasks;

b. Graduate students who take on various elementary but substantive tasks.

3. As I see it, this means we have no program for college students.
